

The "Open Air Boardroom Golf Day"

At Wilcox Golf we specialise in offering the ultimate corporate golf day. A genuine experience that combines networking with golf, resulting in - The Open Air Boardroom Golf Day.

Golf days are suffering from economy class syndrome. Not enough personal attention is given nor are businesses able to network with their most important customers.

Wilcox Golf has created a unique corporate golf day called -The Open Air Boardroom. These days are specifically designed to not only be a fantastic golf experience but more importantly act as a business tool and sell your business to current and potential clients, along with saying thank you for your loyalty.

The day is attended by an intimate group of your most valued clients. You are joined by an Australian PGA professional and your choice of Celebrity Golfer, this adds a fantastic dynamic to the overall experience of the day. Over the years our Celebrity Golfers have included some of the biggest names in Australian sport and entertainment such as Braith Anasta, Andrew Johns, Brad Fittler, Matthew Burke and Andrew Daddo to name just a few.

With access to some of Australia's most prestigious golf courses, we offer a unique and innovative golf day. You will enjoy a memorable corporate golf experience that will have your customers talking long after you putt out on the 18th!

Wilcox Golf hosts Open Air Boardroom golf days across Australia and New Zealand. We invite you and your company to book a day and find out why it has been described as the single best way to entertain corporate partners!
